“It takes a village” to continue all the Club’s activities and to provide training for your dogs. We require each member to participate in one of our yearly events. Please check what event you will be able to assist in:

Agility Trials ___ Obedience & Rally Trials ___ CGC, Tricks, Farm Dog, Fetch ___

We will be happy to explain to you how you can help with the yearly events.

Other opportunities include, volunteers to help with equipment setup for class & take down, roll up mats after class. We also need volunteers for initial spring setup of equipment & Fall take down of equipment at Rolanda’s.

Membership Responsibilities & Waiver:

As a member of O.C.D.T. I understand that I am responsible for the care and training of my dog. I am responsible for controlling my dog at all times during class or events. It is my responsibility to clean up after my dog. I will bring my own bags and water for my dog. I will not approach someone's dog without asking "may I see your dog?" Don't assume that all the dogs at class are friendly. I will ask the trainers for advice with any problems with my dog, other dogs or other handlers.

I recognize that attendance at any dog activity involves inherent risks and dangers to myself, family, guests, others and my dog(s). I hereby waive any claims and release Old Colony Dog Training, its officers, Board of Directors, trainers, and members from any liability of any nature and for injury to myself, family, guests, others or my dog(s) while attending any dog-related activity organized and authorized by Old Colony Dog Training. I also expressly assume the risks of any injury or liability, including such injury arising as a result of the actions of any dog. I hereby agree to indemnify and hold harmless Old Colony Dog Training, its officers, Board of Directors, trainers and members from any and all claims by or on behalf of myself, family or guests that accompany me, arising as a result of the actions or inactions of myself or my dog(s).
